Open Letter to Royal Borough of Windsor & Maidenhead Monitoring Officer

Dear Ms Kilner,

We wish to lodge a formal complaint against Cllr McWilliams, the Cabinet Lead for Housing.

The Royal Borough of Windsor & Maidenhead Residents Action Group (RRAG) has written to him twice by email in the last two months formally requesting answers to our 10 key questions on affordable housing and to date we have not received either an acknowledgement or a response. A copy of the email is attached for your information.

It is our view that failure to respond to the legitimate concerns of residents is more than simple discourtesy and is in fact a significant breach of the RBWM Constitution in respect of the behaviour and standards Councillors are expected to maintain in the dealings with residents.

We request that you, as the independent monitoring officer for RBWM, investigate our complaint.

Can you please acknowledge receipt of this letter and also clarify on timeframe for the completion of the investigation of this complaint.

Yours Sincerely,

RRAG Steering Committee (Jane Dawson, Ken Elvin, Patrick Griffin, Martin Hall, Naheed Majeed, Margaret Morgan and Diana Tombs)
